**Summary of reasons
for classification:**

The computer image file printout 47331899O796999132.jpg is classified as:
Objectionable.

The publication promotes and supports the exploitation of children for sexual purposes under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The publication depicts a young girl straddling another person in a sexualised manner for the camera. This image has been created for the arousal of those with a sexual interest in children. The publication promotes and supports the notion that children are legitimately available for the sexual gratification of adults.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under section 3(2) of the FVPC Act are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to limit the availability of publications that promote and support the exploitation of children for sexual purposes.
